

BAM Membership Application

BAM is a non-profit organization of swimmers. Our mission is to provide the very best instruction, availability and enjoyment for every single one of our members regardless of their swimming ability. We exist simply to promote the health and well being of our swimming community. To this end we believe we should promote this commitment to others who could benefit from participating with BAM.

BAM coaches encourage members to reach their personal swimming goals. The coaches are available to answer your questions, help you with your technique, and assist you in reaching your goals any way they can. **BAM** coaches offer stroke clinics throughout the year to **BAM** members to constantly help our swimmers master the skills of each of the four the swimming strokes, as well as starts and turns.

BAM workouts are held primarily at City of Boulder facilities. For this reason **BAM** fees incorporate a City cost component. This entitles annual, quarterly, and monthly **BAM** members to access all three recreation centers, Scott Carpenter pool, Spruce pool, and the Boulder Reservoir at any time. Other **BAM** members (20 or 40 punch pass) using the **BAM** membership card for access to the City facilities are accountable for reimbursing **BAM** for those fees as put forth on the **BAM** web site.

To join **BAM**, please complete the application form below and sign the waiver on the following page. Return a copy of the completed form with payment to “**BAM**” for your desired level of membership.
